Cindy Ishoy has a long and impressive resume and is respected world-wide as a top international rider and trainer. At the 1971 Pan Am Games in Cali, Columbia, Cindy was a member of the gold medal team and placed fourth individually. A year later she was the youngest equestrian competitor at the Munich Olympics. Cindy was seventh at the 1986 World Championships and second at the 1988 World Cup in the Netherlands. Cindy led Canada's dressage team to a Bronze medal at the 1988 Seoul Olympics and was fourth individually with her horse "Dynasty".
