

# Thank you Sponsors!

## SPONSOR A SCHOOLIE PROJECT

During the pandemic, the Foxcroft horses continued to require feed, bedding, farrier attention and veterinary care. We were thrilled to receive support from over 50 riders and friends who wanted to assist our school horse herd at this challenging time. This kind of involvement helps our school horses and helps our riders maintain an important engagement with the animals they love. Thank you to everyone who helped with this invaluable project.

# Sponsor a Schoolie Project
